### Contractor Past Performance

- DCMC played a major role in evaluating past performance for SPAWAR MIDS/F-15 Fighter Data Link competition
- Evaluation based on oral presentations by the bidders, verified by the CAOs
- SPAWAR PEO and Navy Acquisition Reform Executive pleased with results

#### Contractor Past Performance

- Process is simple, fast... takes advantage of DCMC's knowledge of contractor
- Required the CAOs to get up to speed program very quickly
- CAO cmdrs liked it... recommend continued/expanded DCMC participation
